in cooperation with internationally renowned
BERLIN-KLINIK:

BERLIN KLINIK® Klinik für MKG-Chirurgie /Plast. surgery
dental clinic for oral surgery/implantology
Medical dir.: Prof. Dr. Dr. Schermer
Leipziger Platz 3, D-10117 Berlin
www.berlin-klinik.de

is conducting a specialist clinically-scientific observational study in **Germany, Switzerland and France**.

In the scope of this study, the initial findings of your bone, progress of treatment and healing of the **implants will be scientifically documented**.

The study serves to improve and standardised surgical processes and the **instruments and medical devices** used.

Furthermore, **patient satisfaction** in dental surgery is examined to improve further training for dentists. The own share in the treatment is subsidised.

German quality meets Swiss perfection

The study sponsor will not communicate with your health insurance or the cost payer.
The study fee is not suitable for submission to the health insurance.
We do not believe that costs will be reimbursed by your insurance.

Prerequisite for participation

- You are **> 18 years old**
- You need **1 or several** artificial tooth roots / implants or
- You want to have existing damaged teeth replaced by artificial tooth roots
- You are **otherwise healthy**, have no chronic or infectious diseases
- If you are female, you are **not pregnant**

Costs for participants

The number of participants is limited. Participation is determined by the preliminary examination. The cost contribution to the study fee is **745 EUR** per implant in Germany.

Study registration and information

If you are interested in participating in the study, we invite you to come to a preliminary examination in Berlin. You will be digitally X-rayed and have a medical interview. You will then be asked to complete a registration sheet and answer some questions. The study is entirely anonymous. The preliminary exam is free of charge. The surgery date is confirmed after the study fee (patient's contribution) is received.

Signing up for the preliminary exam

Please send an email with the subject: study 2016 to: chefarzt@berlin-klinik.de
Are you interested or do you have any further questions?
We will gladly answer them if you call us at **+49 (0) 30-206 796 210**
Or at +49 176 10 10 2000.

You may also complete the contract form on this page so that we can call you back or contact you by email.

Study director

Medical questions:
Prof. Dr. Dr. Schermer – study director
Email: chefarzt@berlin-klinik.de
Phone: +49 30 206 796 210
